Camping

Camping is included with all multi-day tickets and is designated on a first come, first served basis. The fairgrounds have permanent restrooms and showers and we supplement the facilities with ample portable toilets.

We have a designated area for **Family Camp**, which is expected to be somewhat quieter at night and louder in the morning. If you've got little ones in tow and you are interested in camping in Family Camp, let the parking attendants know and you'll be pointed in the right direction. If you are disabled, and need wheelchair accessible camping, a parking attendant will direct you to a designated area.

The campground opens for 4-day Pass holders at 12:30pm Thursday, May 26. The gates open at 8AM Friday, May 27 for 3-day Pass holders.

Parking

Parking is NOT included with your festival pass. Each vehicle parking on-site at DelFest must purchase a parking pass; \$30 online at delfest.com. Redeem your parking pass for a decal at the main box office or purchase one there (while supplies last). Once on-site parking is full, off-site parking with shuttles will be available. We strongly encourage carpooling! Vehicles may leave and re-enter the campground with no additional fee, but are not guaranteed to come back to same spot. We appreciate your cooperation by limiting vehicular traffic in the campgrounds. If the total length of your vehicle plus anything that's attached to it is 18' or longer, it is considered an RV and must have an RV Pass or RV Dry Pass to park on-site.

Late Night Music

There will be late night music in the DelFest Music Hall after the Grandstand Stage shuts down. The schedule is posted on the website. Tickets for these shows are available in advance through our website, at the merchandise booth during the day or at the door at show time (capacity permitting).

Festival Guidelines

We are committed to fostering a relaxed atmosphere, but there are certain guidelines that must be abided by in order to ensure a safe and fun festival for everyone. • Absolutely NO PETS allowed on the festival grounds or parking lots (licensed ADA assistants excepted). This will be strictly enforced. • No fireworks • No drum circles or amplified music from 11pm - 11am • Personal campfires are permitted if you bring your own fire pit or fire ring and fire extinguisher. You are required to clean up the fire area and appropriately dispose of all debris before leaving. Please practice fire safety • No cans, bottles or chairs higher than 18" on the music meadow • For safety reasons, no Frisbee throwing in the music meadow • All personal possessions must be removed from the music meadow after each night's performance. • No unauthorized vending - if you're not a registered vendor you cannot sell or distribute anything on the festival grounds. • Audience and radio taping only (no soundboard patches) • No video recording of any performances • No motorized vehicles (golf carts, ATVs).

We encourage you to be pro-active about your personal security. Leave your campground overtly empty, don't bring to the festival what you cannot afford to lose, and be sure to look after each other. Our community is not possible without your participation!

Festival goers must abide by all local, state, and federal laws. NO ALCOHOL OR DRUG SALES tolerated anywhere on the festival site or annexed properties. Anyone caught selling or distributing illicit substances will immediately have their wristband cut and be ejected from the festival. Further legal repercussions are likely. Your cooperation is essential to the festival's future. We cannot over-emphasize this.
